

Six Flags 2020 Health & Safety Policy

The health and safety of our guests is our top priority. We have implemented several measures that you will see in our parks, hotels and campgrounds (collectively, our "Properties") which are each designed to protect Six Flags guests and employees from potential exposure to the COVID-19 virus ("Coronavirus"), by minimizing contacts, promoting social distancing and increasing sanitation throughout our Properties.

In addition, to further protect the health and safety of our guests and employees, ***you will not be admitted to any of our Properties and you should stay home if within past fourteen (14) days you have:***

- Tested positive or have been deemed presumptively positive with the Coronavirus;
- Sought testing to determine whether you might have the Coronavirus, and have not yet received the results;
- Been informed that you may have been exposed to Coronavirus or learned that you have been in the immediate vicinity of a person now known to have been carrying the Coronavirus; or
- Experienced any of the following symptoms commonly associated with the Coronavirus, including cough, shortness of breath or difficulty breathing, OR two or more of any of the following: fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell.

With respect to our parks, prior to entering, ***you will undergo a non-invasive temperature check.*** If your temperature is 100.4⁰F or higher, you will be directed to one of our medical technicians to determine whether we can safely admit you to the park. No personal information or data will be recorded or retained in any manner in connection with this process.

Once you enter any of our Properties, ***you must:***

- Wear your protective face mask at all times during your visit (other than children two and under) while in our parks or any common areas of our other Properties; and
- Adhere to the social distancing and sanitization guidelines posted throughout the Properties.

Six Flags reserves the right to modify these requirements on a case-by-case basis to accommodate any circumstance that in Six Flags sole discretion warrants a modification to this policy.

Six Flags cannot guarantee that you will not be exposed to Coronavirus during your visit.

The CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from Coronavirus. Guests should evaluate their own risk in determining whether to come to our Properties. People who show no symptoms can spread Coronavirus if they are infected, any interaction with the general public poses an elevated risk of being exposed to Coronavirus. By coming to the any of our Properties, you acknowledge and agree that you assume these inherent risks associated with attendance.

If at any time Six Flags determines that a guest does not meet the criteria outlined in this policy, Six Flags reserves the right to refuse entry into our Properties or (if the guest is already at a Property) require the guest to leave the premises or require the guest to self-quarantine until symptom-free. These actions are at the sole discretion of Six Flags.
