- **Shifts Available: Most shifts are 10am-5pm some positions vary**
- **Skills Required: Detail oriented, works well in team setting, customer service**
- **Must Be At Least 16 or Older**

Our Housekeeping team is hiring! We're looking for team players to be part of our indoor and outdoor housekeeping team. We're looking for people dedicated to cleanliness and great guest service. You'll need to have a keen eye for detail, be willing to work alone or in teams and we'll teach you the rest! We also have positions in Laundry, Campground Janitorial, as a Hotel Houseman, and MORE!

FRONT OFFICE

- **Job Experience: None - Paid Training!**
- **Shifts Available: 7am-3pm, 11am-7pm, 3pm-11pm (shift times may vary)**
- **Skills Required: Intermediate computer skills, customer service oriented**
- **Must Be At Least 16 or older**

We're looking for enthusiastic outgoing front office attendants. Are you always willing to help people and go out of your way to make someone's day? This job is perfect for you! Front office attendants help our guests make the most out of their vacations at the hotel and in the campground. You'll be checking guests in, assisting them with questions, and being there to start their vacation off right!

MAINTENANCE/ GROUNDS UPKEEP

- **Job Experience: Entry level to Experienced - Paid Training!**
- **Shifts Available: 7am-3pm, 11am-7pm, 3pm-11pm**
- **Skills Required: All trade skills welcomed, must be willing to learn, team oriented, customer service**
- **Must Be At Least 18 or older**

Hotel Maintenance and Grounds is looking for self-starters with a keen eye for perfection. Our hotel maintenance department is responsible for maintaining our hotel. Our technicians will be taught all aspects of the building and our preventative maintenance program. We're looking for all skill levels from master to apprentice. Prefer working in an outside setting? Our grounds staff is responsible for the general upkeep of our campground and its cleanliness.

NIGHT AUDIT

- **Job Experience: None - Paid Training!**
- **Shifts Available: 11pm-7am**
- **Skills Required: Intermediate computer skills, customer service, self-starter**
- **Must Be At Least 18 or older**

Are you a night owl that can work with minimal supervision? Love working with computers and being a problem solver? Overnight Audit is a small team that assists our guests between the hours of 11pm-7am. You are responsible for doing our nightly system maintenance, balancing revenue accounts and problem solving anything that comes your way overnight.
